**ABOUT:**

California Humanities connects Californians to ideas and one another in order to understand our shared heritage and diverse cultures, inspire civic participation and shape our future.

**IMPACT OF THE HUMANITIES:**

**WHY:** By being more engaged with the world around us, we're better informed about what we have in common rather than what divides us.

**WHO:** They help our vibrant democracy thrive by giving voice to all.

**HOW:** The humanities promote open dialogue and the sharing of diverse viewpoints and cultures.

**FACTS & FIGURES:**

Founded in 1976, we have awarded over \$29 million in funding

We are a nonprofit partner of the National Endowment for the Humanities

In 2015 we served over 5 million people through media projects, 185 thousand people through exhibitions, and 43 thousand people through performances

In the past year alone we have awarded just over 100 projects totaling over \$1 million in funding

Without ever receiving state funding we have leveraged \$5 at the local level for every federal \$1 we have received
