

CHUMASH INDIAN MUSEUM

Invites you to a special talk

Heidi Lucero

Indigenous California Face Tattooing

Heidi Lucero is an Indigenous Anthropologist and a descendent of Acjachemen and Mutsun Ohlone tribes of California. She will be discussing the revitalization of California Indian face tattooing. With her work, she hopes to help bring back cultural traditions that have been nearly lost and to return this information to the tribes that are in need of this information for retaining cultural heritage and continuity.
