October is Black Panther Party History Month! We're celebrating the 50th anniversary of their Free Breakfast survival program.

Join **Saturu Ned** - Educator, Community Architect, and a former member of the original Black Panther Party for an afternoon of North Oakland history. How did the Panthers' Free Breakfast Program come about? Can it be replicated? What are its legacies today? Saturu will share BPP community building tools to use in your neighborhood today.

*light refreshments provided by North Oakland's Phat Beets food justice group*
