CA CARES: RELIEF GRANTS FOR ORGANIZATIONS GUIDELINES

OVERVIEW

Program Purpose

In recognition that the COVID-19 pandemic has had a serious impact on the ability of many public humanities providers to carry out their work, this program will direct funds for short term general operating support that will enable applicants to meet the needs of their communities and respond to current challenges presented by the pandemic. In keeping with California Humanities’ mission to connect Californians to ideas and one another in order to understand our shared heritage and diverse cultures, inspire civic participation, and shape our future, California Humanities relief grants aim to provide support to organizations that have experienced the cancellation of their public humanities activities due to a decrease or loss of revenue, cancellation of programming opportunities, loss of paid staff, or venues as a result of COVID-19.

CA CARES Relief Grants Are Not Intended to Support:

- Activities and projects primarily intended to advance a specific policy or political agenda or to influence legislation (advocacy).
- The purchase of land or facilities, construction or renovation.
- Overlapping project costs with any other pending or approved application(s) for federal funding.
- Projects that fall outside of the humanities (including the creation or performance of art; creative writing, autobiographies, memoirs, and creative nonfiction; and empirically based social science research or policy studies).
- Prizes, awards, scholarships, grants.

Funding Level and Award Period

Applicants may request between $5,000 and $20,000 in general operating support. Grant awards will be determined in proportion to an organization’s budget size, grant requests can be no more than 10% of an organization’s current operating budget.

Matching funds are not required but award funds may be used to supplement (or match) resources (cash and/or in-kind) received from other sources.

**REVIEW AND AWARD**

**REVIEW CRITERIA**

Be sure your application is complete (no missing elements) and that you respond to each of the questions. Failure to do so may result in disqualification for review. Applications are evaluated for eligibility, completeness, and competitiveness on the basis of the criteria listed below:

- Completeness of the application -- All required elements of the application are complete and provide a relevant response to each prompt

- Relevance of request -- Will these funds support the public humanities in direct or indirect ways? Does the applicant organization support or engage with the public humanities either via methodologies, discipline areas, or other related outputs?

- Impact that this funding will make on the applicant organization – How will these funds make an impact on the applicant organization?
Other factors related to accomplishing the mission of California Humanities will also be considered as part of decision making, including geographic and cultural diversity, as well as reaching communities that currently or historically have been underserved with humanities programming.

**APPLICANT AND AWARD NOTIFICATION AND GRANTEE RESPONSIBILITIES**

Award decisions will be announced **by June 1st, 2020, and July 1st, 2020.** Decisions are final and may not be appealed.

Along with notification of award, successful applicants will receive detailed grant management and reporting instructions. Awardees are expected to familiarize themselves with all requirements as outlined in the grant agreement and supplemental grant administration materials, and to attend (or view a recording of) a virtual orientation session. All funds will be disbursed upon the approval of the signed grant agreement. While we aim to make this process as timely as possible, receipt of grant funds can take up to 14 days.

Grantees are required to acknowledge the support of California Humanities in program and publicity materials; cooperate with California Humanities publicity and evaluation protocols; request for approval of any major changes to the project and submit a final report, documenting organizational activities, expenses, and outcomes at the conclusion of the project. Failure to submit the final report will preclude awardees (organizations and project directors) from eligibility to apply for future grants.
